You will be presenting two tech tools. You are welcome to use the one you used from the Jeffersonville Conference.

Then, add another tech tool that is approved by Ms. Beard.

You will give your presentations on Monday, October 7th, in front of the other eLeaders and will seek feedback for improvement.

Your presentation tool - Prezi, PowerPoint, etc., must be embedded and easily accessed on this page on our site.

Just like with the Tech Safety Night, you should not "read" to your audience, but "explain" HOW to use the tool. :-)

**If the criteria above are not met on  
Monday, October 7th, you will not be allowed  
to go with us to Indianapolis.**

**Our presentation time is 12:00 - 2:00 CST at the  
Marriott East Indianapolis on Thursday, October  
10th. Please wear your blue shirts.**
